Information Collection, Use, and Sharing

We are the sole owners of the information collected on this site. We only have access to/collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order.

There are four ways that you may share information with us: by commenting on a blog post, signing up for the newsletter, submitting the Contact form, or by ordering a book. For the first three, we only collect your name, email address and IP address.

When ordering a book, we request information from you through PayPal. To buy from us, you must provide contact information (like name and shipping address). This information is used to fill your orders. If we have trouble processing an order, we'll use this information to contact you. Since purchases are made through PayPal, we do NOT collect your financial information (like credit card number, expiration date).

If you sign up for the newsletter, you will receive the quarterly newsletter. In addition, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.
